

AXIOMETRICS INC.

Axiometrics Inc. measures the performance of the apartment sector every month. The company tracks individual properties or portfolios owned by both private and publicly traded apartment REITs (Real Estate Investment Trusts), as well as properties owned and managed by private investors, developers, and management companies in more than 300 markets, totaling over 16,500 properties and 4.4 million units. Axiometrics delivers its data and analysis through a set of affordable, sophisticated tools that enable clients to improve property and investment performance at a fraction of the cost of the additional revenue generated.
